

# 004

**THE EDGE TABLES** can quite simply be built as individual work desk. They can easily be fitted with cable management, "click on" modesty panel ect. Available is a range of personal accessories as various trays and containers.

# WORKING THINGS OUT

# 006

A **BIG DESK OF 160 X 160 CM.** can easily be used by two people by dividing it with a shared screen for additional privacy. The cable grommets, the easy click on cargo net and the cable sock manage cables and brings them tidily to the floor.

# WORKING IT OUT TOGETHER

# 008

A NUMBER OF DIFFERENT accessories turns EDGE into a desk system. Single screens are available as magnetic marker boards or with a fabric surface for push pins and there are three different accessory trays which match the frame colours.

# THE WORK FORCE

# 010

**EDGE TABLES ARE IDEAL** for various team-building sessions as they can be arranged in different ways to suit the situation. Cable management, modesty panels, screens, ect. can be fitted as required.

# TEAM BUILDING

# 012

WITH ITS MANY SIZES and surfaces, EDGE is very suitable for meetings. Ideal in the boardroom, for more informal meetings, as well as active meetings involving the use of IT equipment.

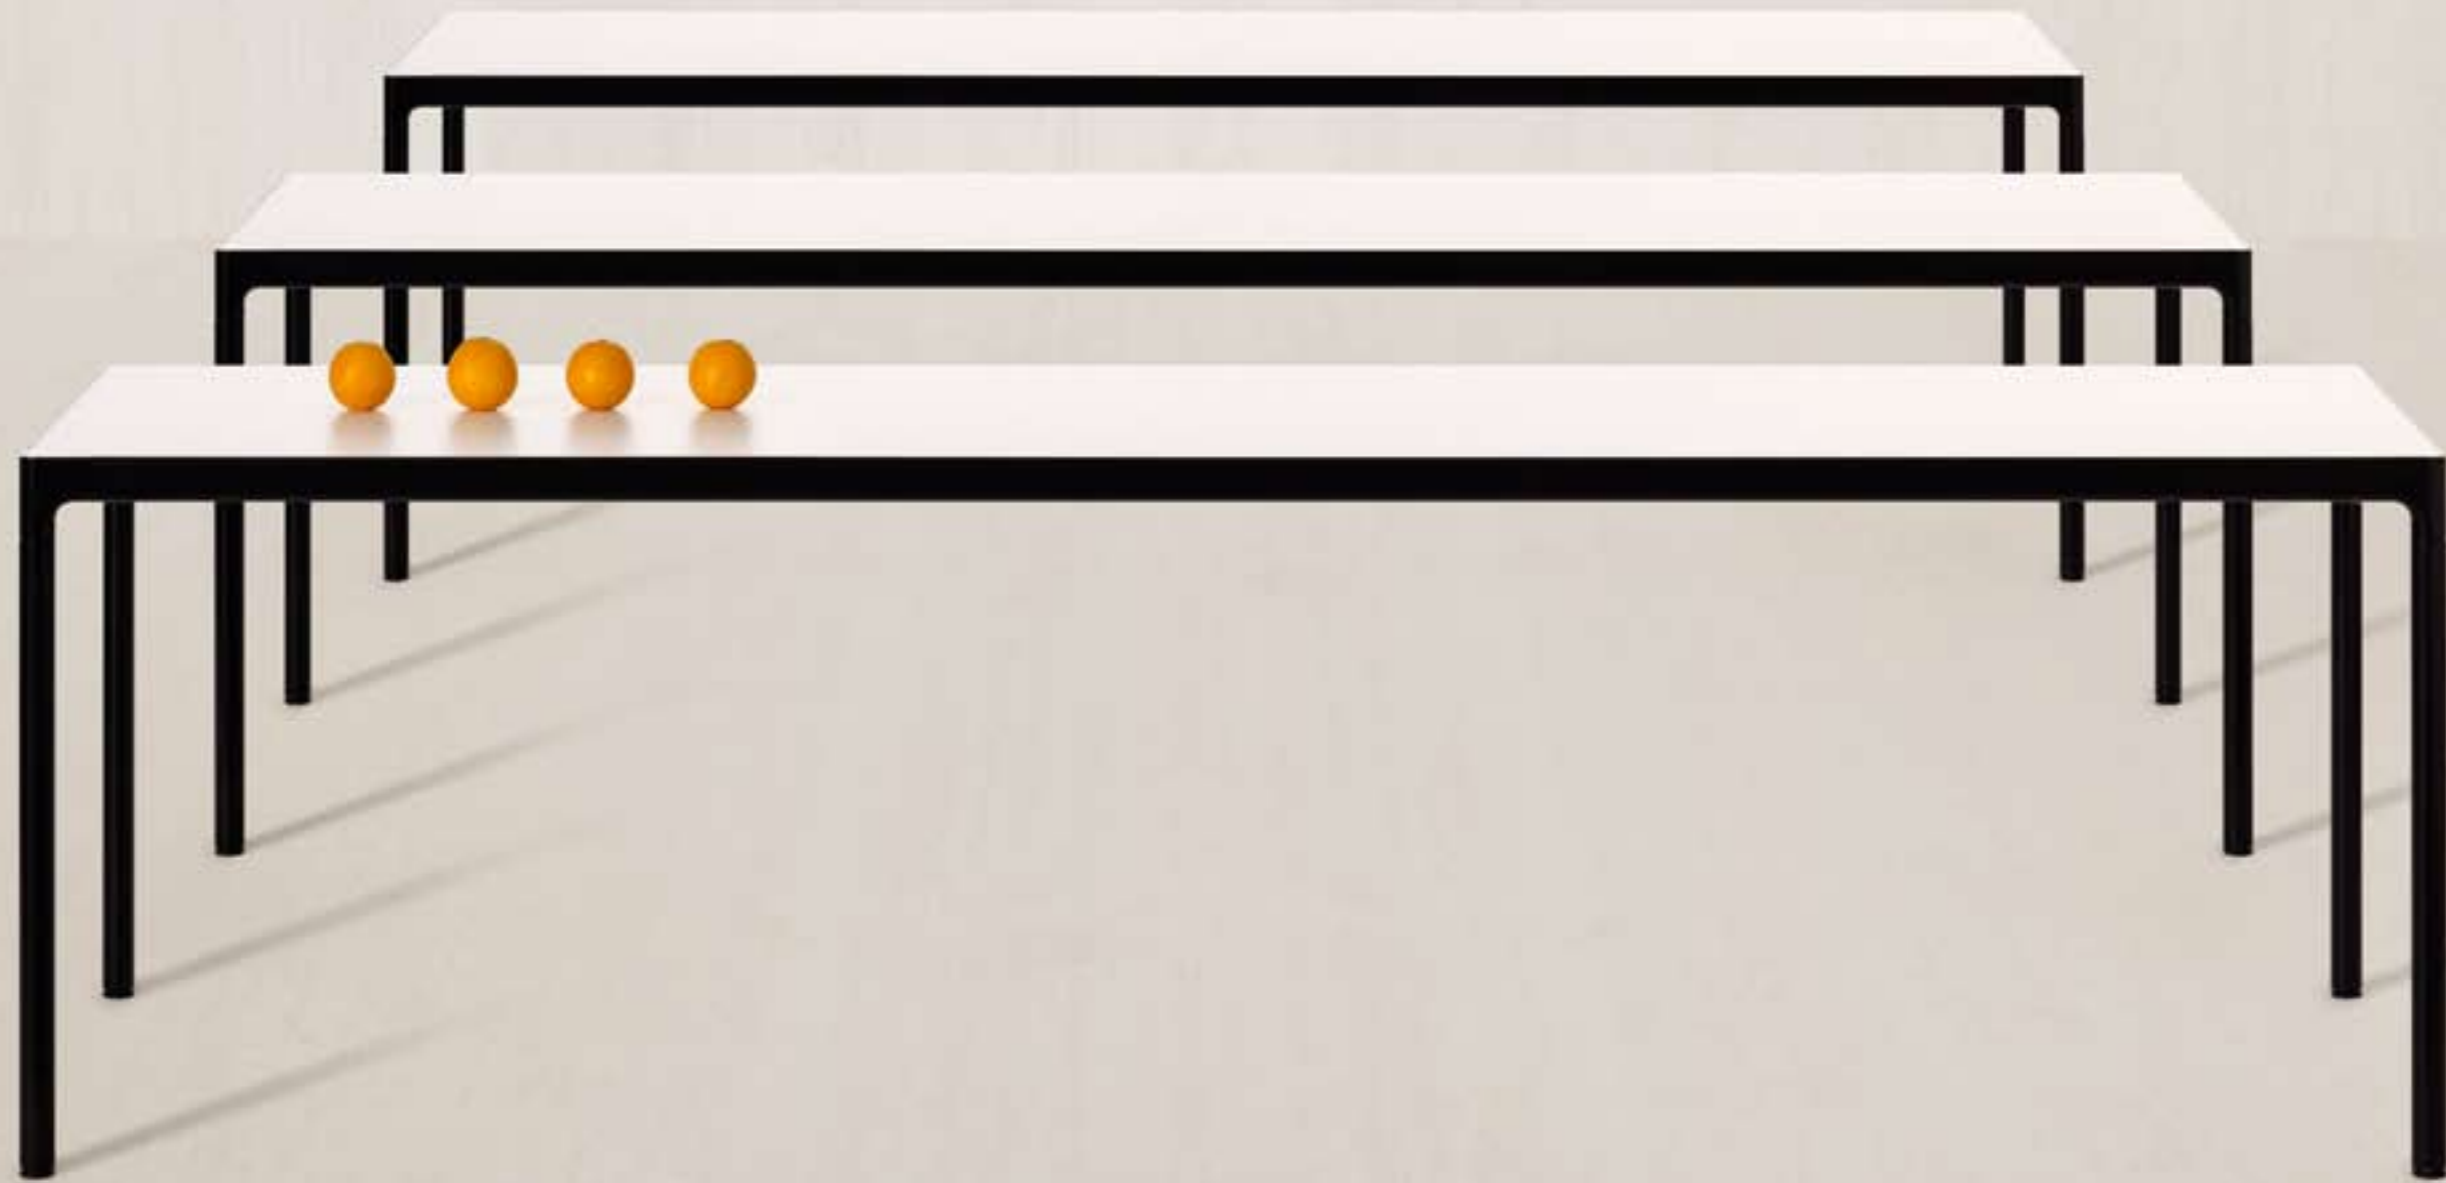

# MEETING PEOPLE IS EASY

# 014

**EDGE CAN BE USED IN** cafes, restaurants and canteens. EDGE is available in many sizes and different surfaces. The design makes the tables easy to clean and maintain.

# LET'S DO LUNCH

# 016

WE ALSO OFFER **EDGE** with a slimmer designed frame and legs, so they can be used as coffee tables in reception areas, in lobbies and for domestic use.

# FEEL AT HOME

# 018

**THE FLEXIBILITY OF EDGE** allows larger tables to be specified. The design provides a very economic, simple and unobtrusive frame structure at extra long configurations making it ideal for meeting rooms, canteens, touch down benches or team working scenarios.
